Home Learning Year by Year, Revised and Updated Rebecca Rupp 2020-01-21 A comprehensive guide to designing homeschool curriculum, from one of the country's foremost homeschooling experts—now revised and updated! Homeschooling can be a tremendous gift to your children—a personalized educational experience tailored to each kid's interests, abilities, and learning styles. But what to teach, and when, and how? Especially for first-time homeschoolers, the prospect of tackling an annual curriculum can be daunting. In Home Learning Year by Year, Rebecca Rupp presents comprehensive plans from preschool through high school, covering integral subjects for each grade, with lists of topics commonly presented at each level, recommended resource and reading lists, and suggestions for creative alternative options and approaches. Included, along with all the educational basics, are techniques and resources for teaching everything from philosophy to engineering, as well as suggestions for dealing with such sensitive topics as sex education. Now revised throughout with all-new updates featuring the most effective and up-to-date methods and reading guides to homeschool your child at all ages, Home Learning Year by Year continues to be the definitive book for the homeschooling parent.

Handwriting Pocketbook Julie Bennett 2015-09-16 Whether you're teaching novice writers, older children or adults, you'll benefit from Julie Bennett's enthusiasm and expertise. She presents handwriting as both an art and a science. Either way, it can be mastered. Julie covers all bases: teaching, improving and troubleshooting handwriting. Starting with the basics - seating, posture, paper and writing implements - she then fixes the goalposts with a handwriting checklist. This is the reference point for remedying a range of common problems (e.g. uneven spacing between words and letters or inconsistent slope and slant) using Julie's multi-sensory 'Key Notes' method. A chapter on teaching beginner writers moves through the stages of writing from pre-literate to fluency, and a section on solving handwriting problems (e.g. for left-handers or those with dysgraphia or arthritis) is followed by a treasure trove of resources: schemes, aids, software, websites and books.
