A similar case can be made for leader development. Made in Canada Leadership looks at what is needed to transform our leadership development efforts from amateur to major league. A must read!" —Chris Rudge, CEO and Secretary General, Canadian Olympic Committee "In our global world, human assets increasingly constitute the competitive advantage; and to succeed, quality leadership is required. However, leadership development is not a casual undertaking, but a long term investment and a shared responsibility. Nurturing future leaders offers significant ROI for all concerned: high returns for the organization and fulfilled leaders. Made in Canada Leadership provides an essential guide to the secrets of growing leaders from a strategic and Canadian perspective." —Paul Juniper, Director, Industrial Relations Centre, Queen's University
