Fall Down Dead Stephen Booth 2018-08-16 'Dramatic . . . gripping' The Times The dramatic, gripping new Cooper & Fry crime thriller from bestseller Stephen Booth sees the stunning Peak District prove fatal for one walking party. They knew the danger, but they went anyway... "Almost before she'd stopped breathing, a swirl of mist snaked across her legs and settled in her hair, clutching her in its chilly embrace, hiding her body from view. It would be hours before she was found." The mountain of Kinder Scout offers the most incredible views of the Peak District, but when thick fog descends there on a walking party led by enigmatic Darius Roth, this spectacular landscape is turned into a death trap that claims a life. For DI Ben Cooper however, something about the way Faith Matthew fell to her death suggests it was no accident, and he quickly discovers more than one of the hikers may have had reason to murder their companion. To make things worse, his old colleague DS Diane Fry finds herself at centre of an internal investigations storm that threatens to drag Cooper down with it. 'Makes high summer as terrifying as midwinter' Val McDermid 'Crime writing at its finest' Daily Mail 'A modern master' Guardian 'A first rate mystery Sunday Telegraph 'Ingenious Plotting and richly atmospheric' Reginald Hill

Dead in the Dark Stephen Booth 2017-07-13 Master crime writer Stephen Booth ventures into the Peak District's dark subterranean world for a brand new, stunning and gasp-inducing Cooper & Fry thriller. 'A modern master' Guardian How do you prove a murder without a body? Ten years ago, Reece Bower was accused of killing his wife, a crime he always denied. Extensive police searches near his home in Bakewell found no trace of Annette Bower's remains, and the case against him collapsed. But now memories of the original investigation have been resurrected for Detective Inspector Ben Cooper - because Reece Bower himself has disappeared, and his new wife wants answers. Cooper can't call on the Major Crime Unit and DS Diane Fry for help unless he can prove a murder took place - impossible without a body. As his search moves into the caves and abandoned mines in the isolated depths of Lathkilldale, the question is: who would want revenge for the death of Annette Bower? On the Road Richard Hammond 2013-11-07 ON THE ROAD: GROWING UP IN EIGHT JOURNEYS - MY EARLY YEARS is a new form of autobiography, in which TOP GEAR presenter Richard Hammond tells the story of his early life through a series of significant driving episodes. He's a child in the back seat of Dad's car on the way to the seaside in Weston-Super-Mare. He's on his first bike, a red one, in Solihull, then on his first motorcycle, a Honda MTX50. He's at the wheel of his first car (and in the back with his first girlfriend). He is driving a furniture delivery van as part of his first job in and around Ripon. Now he is showing off with a friend, risking everything. ON THE ROAD is an emotional road map in which each chapter has its own registration number, and its own distinctive interior. Most importantly, each chapter sets off and arrives. ON THE ROAD surges on to its destination, reversing or moving quickly through the gears, reliving the central episodes and conflicts of Richard's life. Every chapter is a stage in a longer journey. Although there are precious few road-rage monologues against four-wheel drivers and men in vests in white vans, Richard Hammond's readers will quickly recognise the funny self-deprecating and balanced ease that has made him one of Britain's best-loved writers and television presenters.

Already Dead Stephen Booth 2013-06-20 A summer of endless rain in the Peak District leaves the officers of Derbyshire's CID with a problem. They have discovered a man's body lying in shallow water, but torrential rain has swollen the rivers and flooded the roads, making travel difficult and forensic examination impossible. DS Diane Fry is a reluctant temporary replacement, but now their makeshift team is about to be tested to the limit. The fatal events of one damp August night are likely to remain shrouded in mystery if they can't track down a car glimpsed only as a dark outline in the rain by a passer-by. As the rain turns into a deluge, loyalties among the officers will be put under intolerable strain as they try to solve their toughest case yet. And that's before it emerges that Ben Cooper is not at home, but has vanished into thin air... Packed with atmosphere, suspense and danger, bestseller Stephen Booth's exceptional new Cooper and Fry thriller is a masterclass in British crime writing.
